**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We must not cut off access to these public infrastructure from local ISPs. These have become a utility and must remain public.

I use a local company for DSL which uses another LECs copper plant and rely on this service as a network engineer. More choices are better for the consumer. Do not let big telecom take this away.
